Once I was a boogie singer
playin' in a rock and roll band

I never had no problems
burning down them one night stands

And everything around me
got to stop to feelin' so low

And I decided quickly yes I did
to disco down and check out the show

they was dancin' and singin' and movin' to the groovin'
And just when it hit me somebody turned around and
shouted

Gm7
Play that funky music white boy play that funky music
right

B♭7

Lay down a boogie and play that funky music till you die

I tried to understand this
I thought that they were out of their minds

How could I be so foolish, how could I
to not see I was the one behind

So still I kept on fighting
well loosing every step of the way

I said I must go back there, I got to go back
and check to see if things still the same

Yeah they was dancin' and singin' and movin' to the
groovin'

And just when it hit me somebody turned around and shouted

Now first it wasn't easy
changin' rock and roll and minds

And things were getting shaky
I thought I'd have to leave it behind

But now its so much better, it's so much better
I'm funking out in every way

But I'll never lose that feelin', no I won't
of how I learned my lesson that day.

Yeah they was dancin` and singin' and movin' to the groovin'

And just when it hit me somebody
turned around and shouted
