

Legs

E  
 She's got legs, she knows how to use them  
                   C#m  
 She never begs, she knows how to choose them  
                   E  
 She holding leg, wondering how to feel them  
                   C#m  
 Would you get behind them if you could only find them  
           A                  B  
 She's my baby, she's my baby  
                   E SLIDE INTO E BARRE CHORD 4  
 x's  
 Yeah, it's all right

*ahh ahhh*

VERSE:

E  
 She's got legs, she knows how to use them  
                   C#m  
 She never begs, she knows how to choose them  
                   E  
 She's got a dime all of the time  
                   C#m  
 Stays out at night moving through time  
                   A                  B  
 Oh, I want her, said I got to have her  
                                   SLIDE INTO E BARRE CHORD 4  
 x's  
 The girl is all right, she's all right

VERSE:

E  
 She's got hair down to her fanny  
                   C#m  
 She's kind of jet set, try undo her panties  
                   E  
 Every time she's dancin' she knows what to do  
                   C#m  
 Everybody wants to see, see if she can use it  
                   A                  B  
 She's so fine, she's all mine  
                   E SLIDE INTO E BARRE CHORD 4  
 x's  
 Girl, you got it right

*2*  
*end on Dm*
