I went down to the park - everything was dark
oh yeah.
All of a sudden on came the lights and everything was feelin' right

The people started dancin' - they call me over to join in.
They said: "T. T. - Don't you feel good man? girl"
Come on and join the reggae jam." - I heard them singin':
Ooh la la la. let's go dancin' World

...
I wanna get to know you. Come on
let's reggae down

If you're by yourself

We could check the scene and we can reggae down
And we'll be singing:
