

## SHAPE OF YOU

The club isn't the best place to find a lover  
 So the bar is where I go **M**  
 Me and my friends at the table doing shots  
 Drinking fast and then we talk slow **M**  
 Come over and start up a conversation with just me  
 And trust me I'll give it a chance now **M**  
 Took my hand, stop, put Van the man on the jukebox  
 And then we start to dance, and now I'm singing like  
 Girl, you know I want your love  
 Your love was handmade for somebody like me  
 Come on now, follow my lead  
 I may be crazy, don't mind me, say  
 Boy, let's not talk too much  
 Grab on my waist and put that body on me  
 Come on now, follow my lead  
 Come—come on now, follow my lead **M**

I'm in love with the shape of you  
 We push and pull like a magnet do  
 Although my heart is falling too  
 I'm in love with your body  
 last night you were in my room  
 And now my bedsheets smell like you  
 Every day discovering something brand new  
 Well I'm in love with your body **O I O I O I O I**

I'm in love with your body **O I O I O I O I**

I'm in love with your body **O I O I O I O I**

I'm in love with your body **O I O I O I O I**

Every day discovering something brand new  
 I'm in love with the shape of you

One week in we let the story begin  
 We're going out on our first date **M**  
 You and me are thrifty, so go all you can eat  
 Fill up your bag and I fill up a plate **M**  
 We talk for hours and hours about sweet and the sour  
 And how your family is doin' okay **M**  
 Leave and get in a taxi, then kiss in the backseat  
 Tell the driver make the radio play, I'm singing like

Girl, you know I want your love  
 Your love was handmade for somebody like me  
 Come on now, follow my lead  
 I may be crazy, don't mind me, say  
 Boy, let's not talk too much  
 Grab on my waist and put that body on me  
 Come on now, follow my lead  
 Come—come on now, follow my lead

I'm in love with the shape of you  
 We push and pull like a magnet do  
 Although my heart is falling too  
 I'm in love with your body
