E G#m

Baby, baby, I'm aware of where you go

Bm C#

Each time you leave my door

A B

I watch you walk down the street

A B

Knowing your other love you'll meet

E G#m

But this time before you run to her

Bm C#

Leaving me alone and hurt

A

Think it over After I've been good to you ?

B

Think it over After I've been sweet to you ?

C#m B A B

Stop! In the name of love before you break my heart

A B A B

Stop in the name of love, before you tear us apart

E E A A E E A A

Think it over, Think it over

E G#

I've known of your, Your secluded nights

Bm C#

I've even seen her , Maybe once or twice

A B

But is her sweet expression, Worth more than my love and affection ?

A

B

But this time before you leave my arms And rush of to her charms

A

(Think it over) Haven't I been good to you ?

B

(Think it over) Haven't I been sweet to you ?

C#m B A B

Stop! In the name of love before you break my heart

A B A B

Stop in the name of love, before you tear us apart

E E A A E E A A

Think it over, Think it over

E G#m

I've tried so hard, hard to be patient

Bm C#

Hoping you'd stop this infatuation

A

But each time you are together

B

I'm so afraid I'll be losing you forever

[Chorus] x2

C#m B A B

Stop! In the name of love before you break my heart

A B A B

Stop in the name of love, before you tear us apart

E E A A E E A A

Think it over, Think it over
