

SAW HER STANDING THERE in E

Well she was just seventeen and you know what I mean

And the way she looked was way beyond compare

So how could I dance with another oh,
when I saw her standing there

[Verse]

Well she looked at me and I, I could see
That before too long I'd fall in love with her
She wouldn't dance with another
Oh, when I saw her standing there

[Chorus]

Well my heart went boom when I crossed that room
and I held her hand in mine

[Verse]

Well we danced through the night
and we held each other tight
And before too long I fell in love with her
Now I'll never dance with another

Oh, since I saw her standing there
